

# DFW LABOR MARKET UPDATE MARCH 2024

Published May 15, 2024

Contributions by  
Koti Gangasani & Tyler Merrill

## SUMMARY

From January to February, the DFW labor market gained **19,700** jobs, or **0.47%** of its labor force. Primary gains in employment were felt most in the **professional and business services** sector which grew by **1.5%**, adding **11,700** jobs. This was followed by the **public** sector, which finished with **5,400** more positions than last month, a growth of **1.1%**. In contrast, **transportation and utilities** experienced the largest decline, witnessing the loss of **4,600** positions - a month-over-month drop of **1.7%**.

The local unemployment rate in January also increased, with DFW's rate going up from **3.9%** to **4.2%**. The state labor market has followed suit, with the Texas unemployment rate rising from **4.1%** to **4.4%**. The national unemployment rate also moved up slightly from **4.1%** to **4.2%** according to the latest figures.

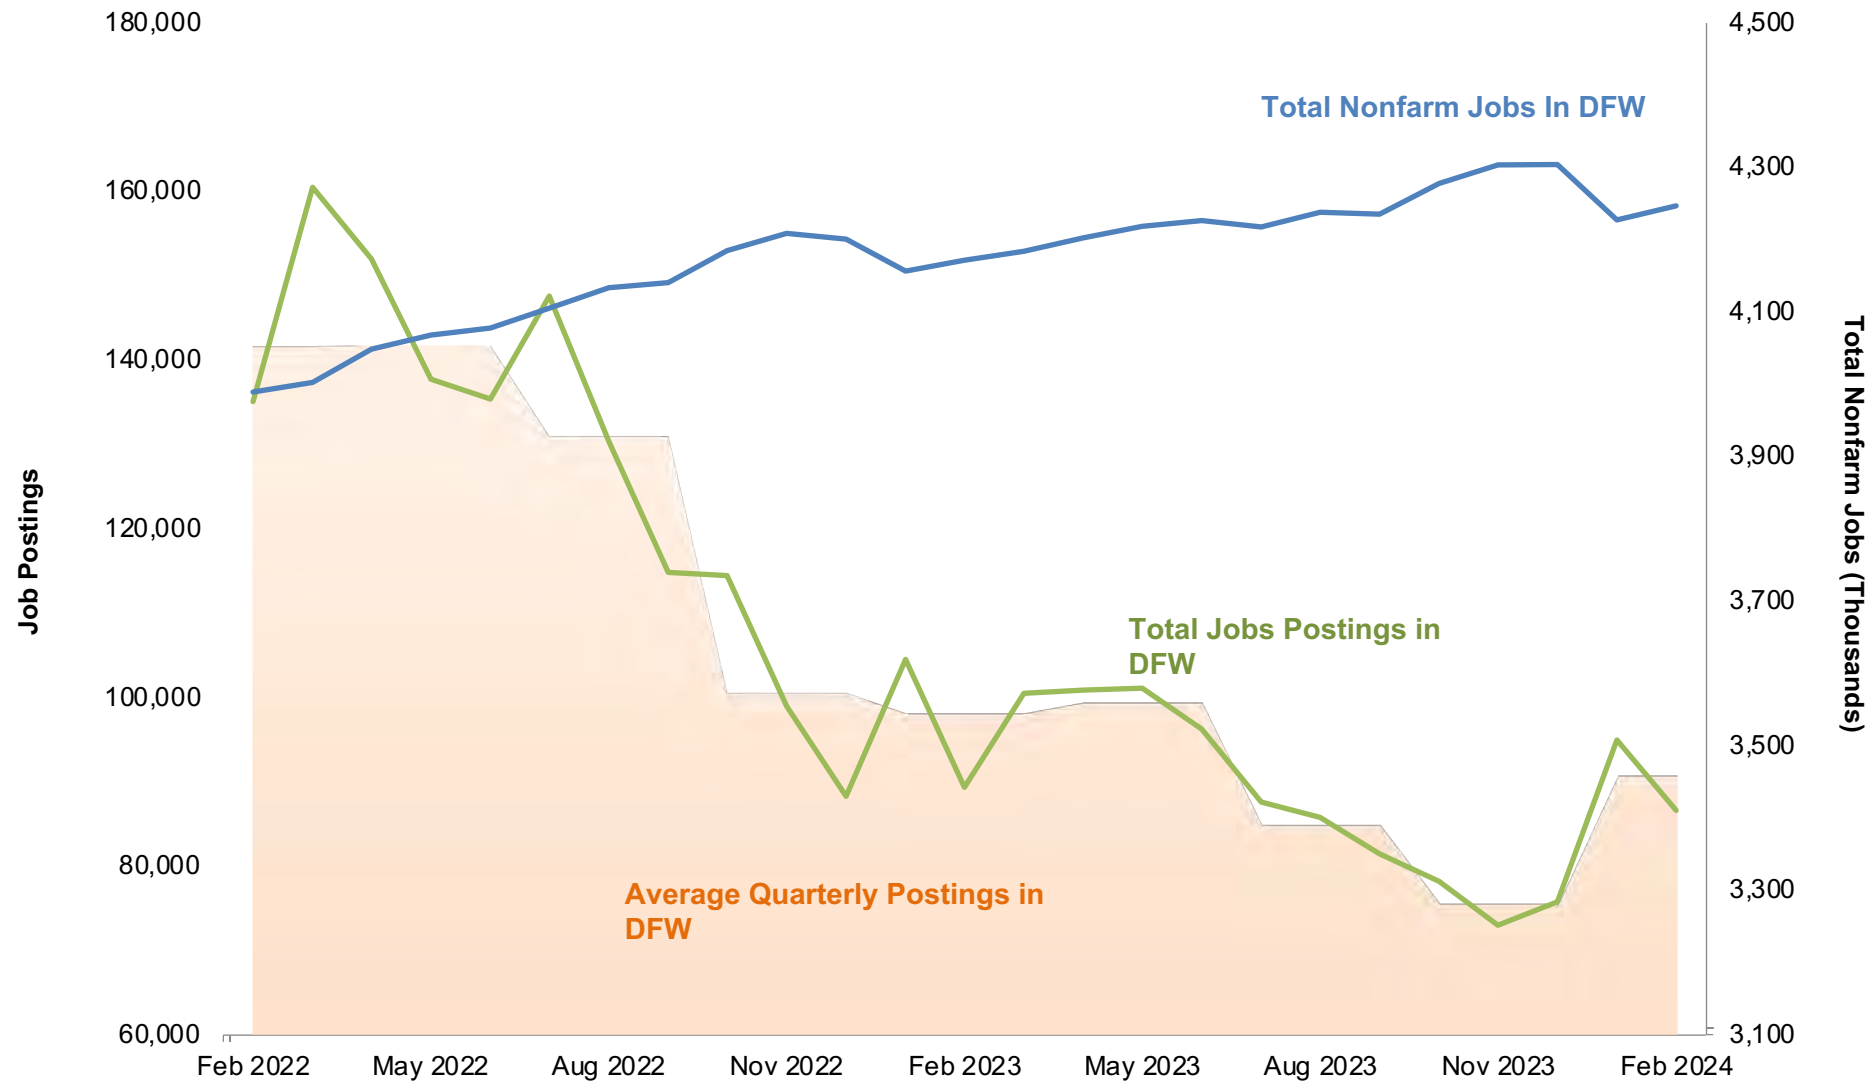

Total job postings saw a month-over-month decrease of **8.8%** in February. The top occupation in terms of job postings during the month was **registered nurse**, with **3,139** unique postings, followed by **software developer**, which has **2,193** postings. Although each of these occupations have experienced a month-over-month decline from their January levels of **15.7%** and **34.5%**, respectively. In terms of fastest growing occupations, **healthcare social workers** takes first rank with **81** new jobs and a **170%** month-over-month increase. In contrast, the fastest shrinking occupation was **coaches and scouts** which saw a **42.6%** decline during the same time-period.

The February **Consumer Price Index** for DFW will not be released this month. However, inflation rates for the nation and Southern region rose from **0.54%** to **0.62%** and from **0.56%** to **0.91%**, respectively. The inflation rate for the state of Texas fell from **0.76%** to **0.53%**.

See the Federal Reserve Bank of Dallas' [Texas Employment Forecast](#) and [DFW Economic Indicators](#) for a deeper analysis of these dynamics.
